Registered Details FACT SHEET

RD Certificate Number: EWW329

Low-E UK Ltd - Low–E EZY Seal

Description

Low-E EZY Seal is a reflective insulation consisting of a 5.5mm thick foam core, aluminium faced both sides.

Scope of Registration

Low-E EZY Seal is a reflective insulation consisting of a 5.5mm thick foam core, aluminium faced both sides and also acts as a vapour barrier.
The product should be used in a prescribed manner and location as indicated by the manufacturer and installed according to their instructions and manuals.
The product should be used in conjunction with other insulation materials to achieve the required thermal properties.
It is critical that a minimum 12mm air-space is retained on either side of the product.

Validity

This system has been checked for compliance in accordance with English and Welsh Building Regulations.
LABC Warranty also accepts its use when installed and used in accordance with and in relation to LABC Warranty's current Technical Standards.
Registration was first issued on 21/03/14 and is valid until 04/04/19 providing there are no amendments to applicable regulations.
Issue dated 20/03/2018
